ARTICLE V CONFLICT OF INTEREST

Section 5.1 Definitions

The following definitions are for the purposes of this Policy Manual and the Bylaws:

- Interested Person - Any Officer of the Board or member of a committee or anybody with Board delegated powers, who has a direct or indirect financial interest in a matter under consideration.
- Significant Personal Interest - A person has a significant personal interest if the person has, directly or indirectly, through business, investment, or family:
 - An ownership or investment interest in any entity with which MOAPCO has a contract, transaction, arrangement, or competes for services; or
 - A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which MOAPCO is negotiating a contract, transaction, or agreement; or
 - A party to any action, suit, or proceeding that is pending or has been settled within the past five years that is adverse to the interests of MOAPCO or any entity with which MOAPCO has a contract, transaction, or arrangement.
- Compensation - Direct and/or indirect remuneration as well as gifts or favors that are substantial. A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the applicable body decides that a conflict of interest exists.

- **Family** - A “family” member means:
 - The interested person’s spouse, a legally recognized domestic partner, or a “significant other” person of the same household; or
 - A brother, sister, parent, grandparent, child, grandchild, great grandchild, niece or nephew of, or the object of a guardianship by the interested person or this person listed in section “a” of this definition; or
 - The spouse, a legally recognized domestic partner, or a “significant other” person of the same household of an individual listed in section “b” of this Article.

Section 5.2 Addressing the Conflict of Interest

In connection with any actual or possible conflict of interest, an interested person must immediately disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the members of the applicable body considering the proposed transaction or arrangement. Meeting policy shall follow:

- An interested person may make a presentation at the applicable meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- The presider (or in cases involving the presider, the next highest ranking disinterested person) of the applicable body shall, if appropriate, appoint a disinterested person or group of people to investigate alternatives to the proposed transaction or agreement.
- After exercising due diligence, the applicable body shall determine whether MOAPCO can obtain, with reasonable efforts, a more advantageous transaction or agreement from a person or entity that would not give rise to a conflict of interest.
- If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the applicable body shall determine by a majority vote of all disinterested persons whether the transaction or arrangement is in MOAPCO’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

Section 5.3 Violations

If the applicable body has reasonable cause to believe its member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose. If, after hearing the member’s response and making further investigation, the applicable body determines the member has failed to disclose an actual or possible conflict of interest, it shall immediately inform the Board of Officers.

Section 5.4 Enforcement of Violations

Disinterested members of the Board of Officers shall render a decision regarding the failure to disclose and shall take appropriate disciplinary and/or corrective action.
